challenging times ? "

Many ways to step up your service game during
holiday season that's quickly approaching..

Food Pounding is here2020 style!

During this season of harvest, we often count our blessings and joyfully strive to share our love for other neighbors and friends. Our FOOD POUNDING is a cherished FUMC tradition. Remembering our Lord's charge to "FEED MY SHEEP" we have collected food for Thanksgiving Dinners.

Due to the state of our community and the concerns for personal and family health, we will not be delivering bags to the communities (Heritage Park, Hazel Hill & MICAH) we have partnered with.

This year we plan to assist by offering options for a Thanksgiving meal by purchasing \$25 WALMART GIFT CARDS. Based on the amount of support we receive from the congregation we will determine how this support can be offered.

TO DONATE TO THIS : Please designate your giving however you feel comfortable, whether in PayPal , Simplechurch or a check! You can also purchase the gift card yourself and deliver it to the church main office!

Please contact Mike Cotter at mvcotter@comcast.net if you have any questions or ideas for supporting this service opportunity.

Can your class, group or
family help!?!?!?

City school kids!

FUMC is once again being asked to
staff a school lunch distribution

location to help city schools.
The location is the Salvation Army off
of Lafayette Blvd.

We are asking that your family, class or
group of 2 or 3 people sign up to take
a specific day of the week and
commit to staffing that through the
end of the year.
